The BIG idea:

God is a merciful God,
who loves everyone
he has made.

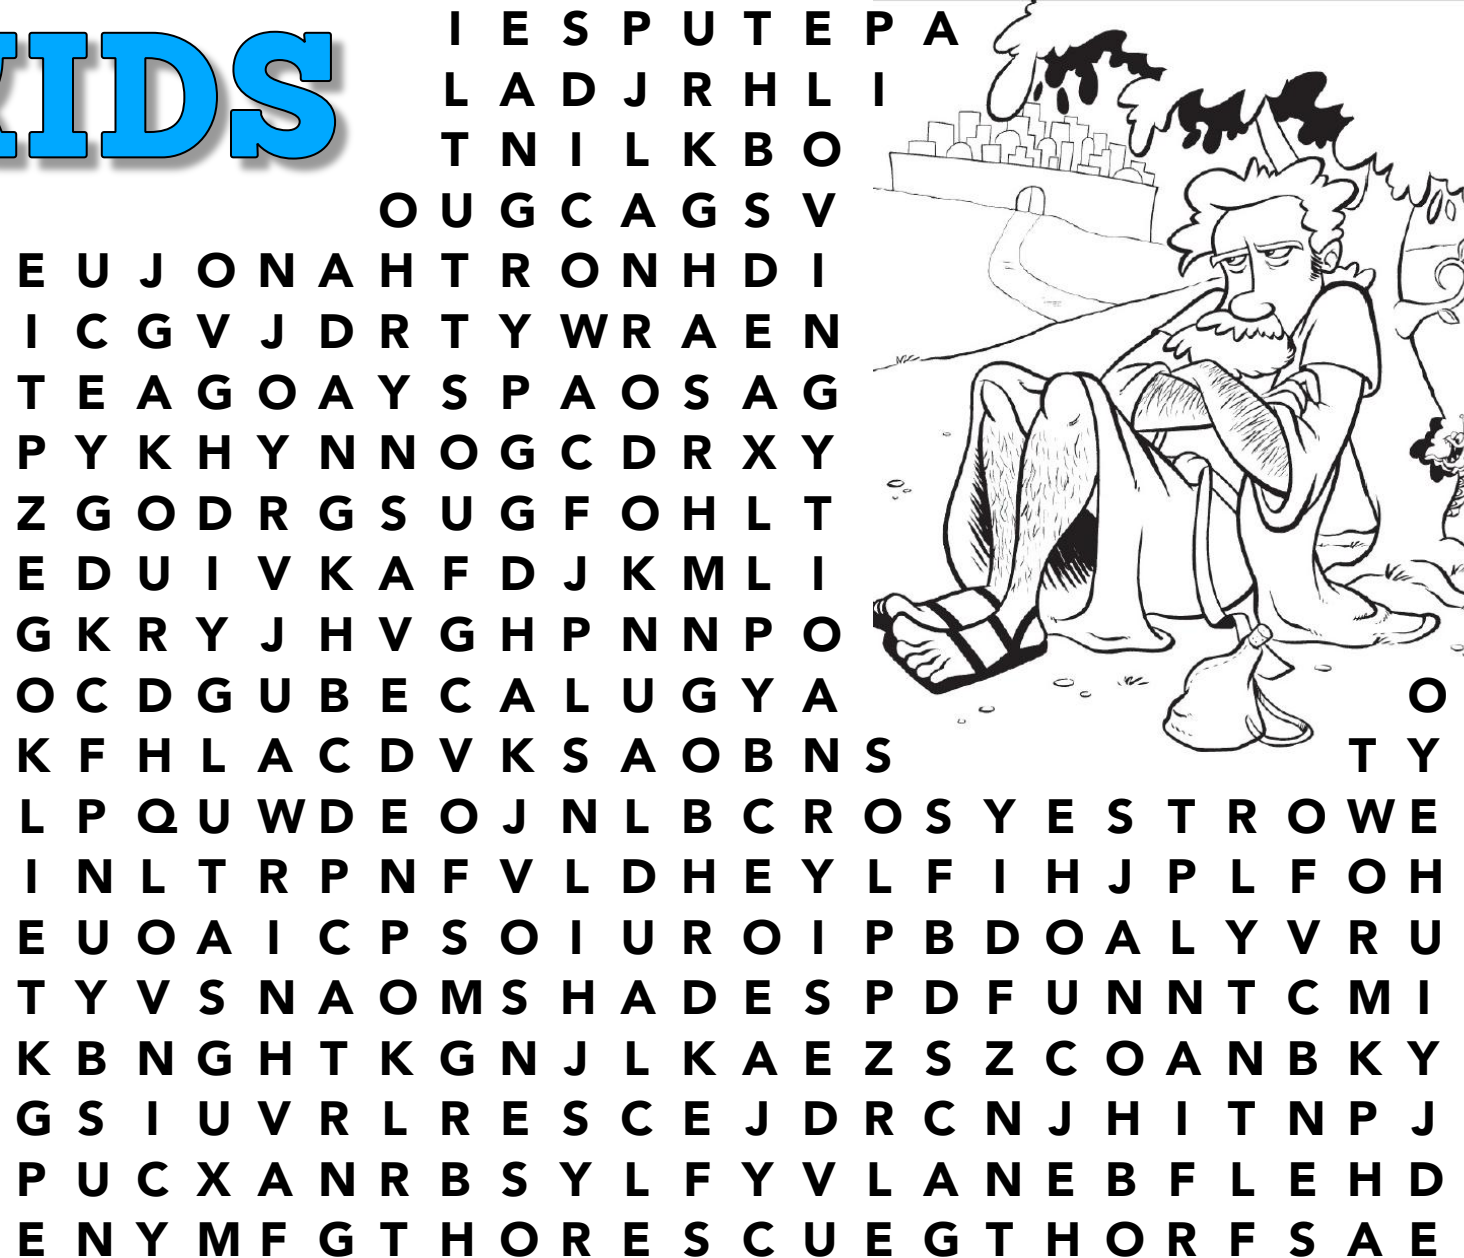

In this week's story Jonah is
not happy! He didn't love the
people living in Nineveh, so
was angry at God for saving
them.

But, God used a plant to
teach Jonah how He is
merciful, loving and kind.

"The Lord is
compassionate
and gracious,
slow to anger,
abounding
in love."

Psalm
103v8
